Address: _____

The City of Marysville requires that at least 90% of your total tax liability be withheld or paid in equal installments, or be subject to a penalty. A system of quarterly declarations of estimated income tax is available to those persons not subject to withholding by their employers or those who have additional income from other sources. You may contact the Income tax Division for these forms or visit our website at www.marysvilleohio.org. Thank you for your cooperation.

The current rate of tax in the City of Marysville is 1.5 %.
