This agreement is made and entered into by and between the City of Marysville, Utility Department and _____

_____, hereafter referred to as "tenant(s)" and _____, hereafter referred to as "owner" of the service address above. City Utility Services are requested to begin on _____ (the utility service start date). The start date is determined to be the later of the following: the date when the contract deposit money is received (see below) or the date that is requested by the tenant for services to begin. **Utility services cannot be started prior to the receipt of tenant deposit money.** This agreement is subject to all City of Marysville Ordinances and Laws now in force or which shall later become in force and all rules and regulations for the City of Marysville, Utility Department.

I understand that water, sewer, and trash services are granted solely on the basis of personal information submitted as part of this agreement and I do certify that all such information is correct. I agree that this application for services, when accepted by the City of Marysville, shall form a binding agreement between the City of Marysville, tenant(s), and owner, governing the terms of all water, sewer, and trash services rendered to the tenant(s) by the City of Marysville.

Tenant(s) and owner agree that the tenant(s) has the consent of the owner to occupy the premises and is therefore responsible for making prompt payment for all services and fees connected therewith. Prior to receiving services, the Tenant(s) shall make a deposit of \$150.00 by cash, credit card, or money order. Said deposit shall apply to the final bill and the tenant(s) shall be refunded the overage. Tenant(s) acknowledges the City of Marysville may discontinue the water and sewer services to the premises after notice if such services are not paid for when due, and that such services will not be reconnected to the premises until the past due amounts and any fees are paid.

Owner states that he/she understands and agrees that any tenant(s) of the premises covered by this agreement is authorized to receive water, sewer and trash bills as an agent, and the owner further agrees to comply with property owner responsibilities as described in Chapters 925 and 931 of the City of Marysville Codified Ordinances. The owner also agrees and understands that he/she is ultimately responsible for any balance due not collected from the tenant(s).

No refund shall be made for an amount less than Five Dollars and One Cent (\$5.01).

Payments must be received in the Utility Office by the due date to avoid paying the "AFTER DUE DATE" amount.
