Additional Forms Available
at www.marysvilleohio.org

This form is to be used by the following business enterprises: **Associations** (including partnerships, joint ventures, etc.) deriving income from work done or services performed or rendered and business conducted in Marysville. Corporations (including S-Corporations) and Fiduciaries (estates and trusts) deriving income or losses from work done or services performed or rendered and business conducted in Marysville. **All taxpayers engaged in business, including S-Corporations and partnerships, must file an annual return even if a loss is claimed on the business.**

When and Where to File Returns: This return must be filed on or before the fifteenth day of the fourth month following the close of the tax year. For calendar year taxpayers, this means the return is due April 15, 2020. Any entity anticipating taxable income shall file and pay estimated tax, if the amount of tax estimated is \$200.00 or more. Make checks or money orders payable to **CITY OF MARYSVILLE**, and mail to: **Marysville Income Tax Division, PO Box 385, Marysville, Ohio 43040.**

A postcard notification indicates you have an active account and must file this return or provide an explanation as to why a return is not required.

A 180 day extension of time to file will be granted provided an extension request has been filed with the Income Tax Division by the original due date of the return. If payment is due with your extension request, it must accompany the extension request form.

Tax Rate: 1.5%.

Payments and Refunds: If the full amount of the business tax liability is not paid by remittance of the estimated tax for the City of Marysville, any unpaid balance must be paid when filing this return, unless the balance due is less than \$10.01. Refunds or carry forward due to an overpayment of estimated tax payments made on your behalf by an association, may be requested, provided any overpayment is \$10.01 or more and you have indicated on the return a desire to have a refund.

No refund or carryforward of overpayment to subsequent years shall be allowed unless a written request is presented to the Income Tax Division within three (3) years of the date the taxes were due.

Penalties and Interest: Penalty and interest for underpayment of estimate or late payment shall be imposed at the rate of 15% penalty and interest as set per ORC 718.27. There is an additional penalty for nonfiling of the return of \$25.00 for each month the return is late, but not to exceed \$150.00 total. No penalty for failure to pay estimated tax will apply to an entity whose tax for the year is less than \$200.00.

Taxable Income:

RESIDENT and NONRESIDENT ASSOCIATIONS [PARTNERSHIPS, LIMITED PARTNERSHIPS, AND LIMITED LIABILITY CORPORATIONS (LLCs) treated as partnerships for Federal income tax purposes] may pay any tax due and eliminate the filing requirement for each individual partner. If the partnership files an informational return only, the partners will be required to file on their distributive shares.

Corporations [including S-CORPORATIONS and LIMITED LIABILITY CORPORATIONS (LLCs) treated as corporations for Federal income tax purposes] and FIDUCIARIES (ESTATES and TRUSTS) are required to pay all tax due on their taxable income. Sub-Chapter S-Corporations are taxed as regular C-Corporations for city tax purposes, and must adjust their income accordingly.

Income From Associations (Partnerships, Joint Ventures, etc.): If you are a member of and have received income and/or incurred a loss from two (2) or more associations, you may combine the income and losses from those associations to the extent said income or loss is reportable for municipal tax purposes to the City of Marysville.

Combined Returns (Corporations Only): Only affiliated corporations, each of which is subject to filing a return with Marysville may file a combined return. A combined return differs from a consolidated return in that the loss of one (1) affiliate may not be used to offset the gain of another. Thus, each affiliate must submit a separate income statement and Schedule X. Copies of your Federal consolidated schedules or separate pro-forma Federal returns may be substituted for separate income statements. Also, if allocating income using Schedule Y, each affiliate must complete a separate Schedule Y based solely on their own operations.

Operating Losses: Net operating losses prior to tax year 2017 were not allowed to be carried forward or backward under the provisions of the Marysville income tax ordinance. Beginning with tax year 2017 losses can be carried forward. For information on what losses can be claimed and how they may be applied to offset future tax years, please see ORC 718.01(B)(1) and ORC 718.01(D). If calculating a loss to carry forward or using a loss carried forward from a prior year to offset current year's income, be sure to attach a schedule supporting those calculations.

Estimated Tax Payments: Any entity anticipating taxable income shall file and pay estimated tax, if the amount of tax estimated is \$200.00 or more. Payments are due on April 15th, June 15th, September 15th and December 15th for calendar year taxpayers. For fiscal year taxpayers, the first payment is due the 15th day of the fourth month after the beginning of each fiscal year period. The remaining due dates are the 15th day of the 6th month of the taxpayer's taxable year, the 15th day of the 9th month of the taxpayer's taxable year, and the 15th day of the 12th month of the taxpayer's taxable year provided; however, that in case an amended declaration has been filed, the unpaid balance shown due thereon shall be paid in equal installments on or before the remaining payment dates. The first estimated tax form is located at the bottom of the income tax return. Estimated tax payment vouchers for the 2nd, 3rd, and 4th quarters have been provided. A declaration and payment which is less than ninety percent (90%) of the tax shown on the final return of 2020, or less than one hundred percent (100%) of the previous year's tax (2019), shall not be considered in good faith and the difference shall be subject to penalty and interest charges.
